John, are you eating another cookie?

Even on her days off, Tammy just can't stay away from work.

You guys are just so photogenic.

ULTIMATE SUPREMACY

As we began the 1987-1988 school year at East Henderson High School, many students had mixed emotions about what this year would bring. Would it be a good year? Would the new attendance policy work, would classes be harder, would our teams win? Basically, students felt the year would turn out okay. As senior **Mark Gibbs** said, "I think it's going to be a great year, both academically and athletically. The spirit of the student body is the best it's been since I've been here." And he is exactly right. The enthusiasm of the student body has shown through in every activity. Whether our teams won or lost, we were proud of our Eagles and were always supportive. Clubs and academics also played an important part during the year. Inter-club competition and students striving to remain at the top of their class made the year interesting.

There was a spirit that ran throughout the student body. The seniors led the way with an enthusiasm that could not be matched. However, the underclassmen were not far behind. They were continuously striving to overcome the "underclassmen" label and make a new name for themselves. Sophomore **Russell Jackson** said, "I'm excited about being at East. Even if we're the class on bottom, I still think we can show our spirit and make ourselves known."

The faculty and staff also showed their spirit in many ways. From the teachers to the coaches, the club advisors to the cafeteria staff, there was a unity that held the school together.

Aren't you guys supposed to be working?

Just what are you teaching your 3rd period class, Ms. J.?

These seniors have learned that it's better to sit outside the cafeteria rather than go inside.

DOMINATING THE SCENE

Throughout the year, the Eagles were able to overcome their problems. Life's little disappointments such as team's losses, failed tests, or broken relationships did not dampen the Eagles' spirit. The student body was able to offset the bad with the many good things that happened.

The addition of many new faculty members also added some enthusiasm. Each was surprised with the spirit of the entire school. New Driver's Education teacher and athletic coach **Fred Robinson** was impressed; "It's really great to see the students get behind their teams. I think it helps the players as well as the school name."

While the main purpose of high school is to get an education, most students are also involved in many extra-curricular activities. Clubs and sports, along with outside jobs, kept everyone busy. As DECA President **Susan Harper** said, "Although school is important, I also enjoy being involved in many other activities. It helps to keep me busy and breaks the monotony of everyday work."

Whether on the field, in the classroom, or at an outside activity, East Henderson Eagles have definitely shown that they are
REIGNING SUPREME

A little sibling rivalry never hurt anyone, did it?

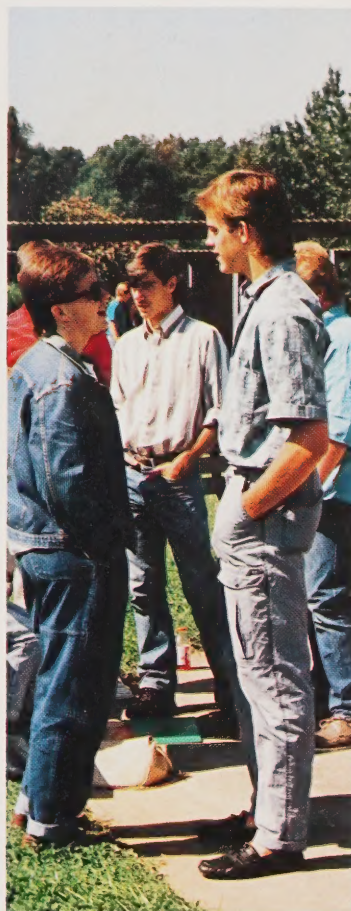

Jay, do you ever not play cards?

Homeroom is my favorite class.

Angie, are you running off more copies of those tests?

No, Chris, you can't borrow my shades.

GOSSIP, GOSSIP, GOSSIP!!!

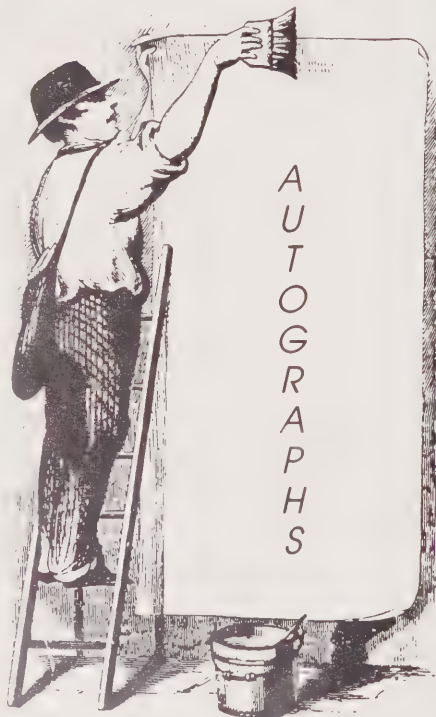

STUDENT LIFE

Junior **Jeff Harvey** is riding in style in his sparkling blue Corvette as he leaves the parking lot being extra careful not to injure his car.

Senior **Zeb Ballard** seems to be getting impatient as he waits to get out of the parking lot in his black Ford truck as many cars are parked before him.

AUTO-GRAPHS

A '57 Chevy convertible, a Ford Ranger, a Jeep, a Volkswagon, or a T-Top Corvette; each is a unit that will demand certain reactions from everyone.

Cars ... What do they stand for and why do people like some styles and dislike others? Automobiles are simply a mode of transportation; yet, people take pride in what they drive. Senior **Jonathan Ward** said, "I love my truck! I wouldn't trade it for anything." To Jonathan it represents his stamina and perseverance while to someone else the truck wouldn't be the ideal vehicle.

Although some people do not

have their choice of automobiles, they have an automobile that will show some of their general interest. Like senior **Stephanie Bane** said, "My car may not be beautiful, but it gets me where I want to go. It suits me!" Basically, high school students don't get their first choice, but second and third choices are just about as good.

Although cars can't tell people everything about you, they come close to expressing your individuality as well as any of your other major likes. Remember that your car tells as much about you as your clothes or anything else, so take pride in your vehicle.

These two trucks parked outside B Building at East Henderson, are patiently awaiting the return of their drivers to take them out on the town.

Senior **Stephanie Bane** with her black shades poses for a quick picture in her Datsun 210 as she calmly waits to get out of the senior parking lot.

well-dressed eagles showed their enthusiasm on the dance floor as Xenon's music began to heat up the Hyatt Regency. Though they were crowded the eagles danced the night away.

Chris Hunnicutt is definitely not shy about the electricity he feels in the room. Being surrounded by good friends, good music, and good times would make anyone feel like dancing.

Excitement shows on the faces of seniors **Robin Harden** and **Patricia Worley** as they pause to identify the next rhythm during Xenon's electrifying collection of music.

Keeping an eye on the dance floor, the **Matthews, Mr. Matthews, and Emily**, and **Mrs. Sullivan** dance the night away. They don't want to say they did not have a good time.

PROM 1987

A Year Of "Fantasy"

Fantasy. A dream? Reality. A memory? When fantasy and reality merged on May 2 at the Hyatt Regency in Greenville, the students of East were swept away into a dream that is now a memory.

Students began arriving at 8 o'clock not knowing what to expect, but as the night wore on they felt the intensity mount. The Eagles all have a lovely memory of this prom. They remember their anticipation through the year, their arrival, and the moment they realized that it really was all they expected.

The effort put forth by the juniors to make the prom a success was evident as the lights dimmed and the band began to play. **Wendell Erwin** stated, "As Junior Class President, the greatest satisfaction came from the fact that we all worked together to make it a success; however, none of it

would have been possible without the help of Mrs. Barnwell."

Everyone was dressed to the hilt, the boys in their ever-so-formal tuxedos and the girls with dresses that showed their true value. It was a dream of finding a forgotten world where fantasy was possible. As the night wore on and everyone began to relax, this formal occasion began to resemble a high class party. This party rocked the Hyatt for everything it was worth. The students were proud to be allowed a night where they could let off some energy.

The 1987 prom lived up to everyone's great expectations. **Mrs. Barnwell** was pleased saying, "The students at East deserve the best and the '87 prom lived up to my expectations, with both the hard work and the behavior of the students."

Sitting back off the dance floor, **Terri Reed** takes a moment to relax and review her more than exciting evening. After some intense dancing everyone needed a moment's relaxation.

Seniors **Mark Stepp** and **Marla Cox** steal a moment to get away from the excitement, to catch their breath, to talk, and to grab something to drink before rejoining the action.

FOREIGN AFFAIRS

Have you ever wondered what it would be like to visit a foreign country? This year East was fortunate to be the host to four foreign students who had wondered that same thing. These students came to East from France, Germany, Switzerland, and Norway. They added quite a bit to our school by sharing their various cultures and enabling us to better understand our European counterparts.

Emmanuelle de la Bardonnie is from France. Emmanuella attended J.B. Darnet High School in France before she decided to spend a year in the United States. Next she plans to visit Germany. Emmanuelle's career goal is to become an interpreteur.

Coming to us from Germany is Verena Merle. Verena's hobbies include

playing pool Her plan for the future is to become a travel agent. Verena is 17 and has graduated from high school in Germany.

Our Swiss visitor is Ilona Grof. Ilona is a member of the East High Strings Orchestra and plays the violin. She plans to visit France in the future. According to Ilona, the schools in the United States are quite different from those in Switzerland, but she still likes it here.

Hege Strand is a graduate of Ringve Vg. School in Norway. She is a member of the East High Marching Band in which she plays the trumpet. Says Hege, "I love it here. I'm so glad to be here!" Hege's enthusiasm is indicative of the feeling of all our foreign exchange students.

Hege Strand, Trondheim, Norway
Ilona Grof, Zurich, Switzerland

Emmanuelle de la Bardonnie, Limoges, France
Verena Merle, Boveria, Germany

Our four foreign students had to adjust to "strange" American customs. Not surprisingly, the girls became fast friends.

Emmanuelle tackles some questions in her psychology class.

Free time in America!

The exchange students had quite a busy schedule this year. Ilona and Verena take time out of their school day to pose for a picture

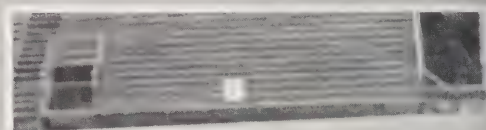

A NEW CHAPTER

The end of life for the seniors at East Henderson High is just around the corner. It is time to say good-bye to old friends and to accept the challenges of tomorrow.

Each senior must write the script for the next chapter of their life. Questions like "What do I want to do with my life?" must be answered by each individual.

Many choices await each person as he or she begins to write the next chapter. No matter which choice they make, the years spent at East will serve as the foundation for the next chapters in their lives.

Edward Boardman, who is being escorted by **Mark Gibbs**, made the trip to start a new chapter in his life. The trip that was made by Edward will hopefully be the same trip that the Class of '88 will make

The graduating class of '87 gathering for the last time together at E.L. Justus Field.

WEEKENDS

In our area, weekends are spent several different ways. One of the most popular activities is "cruising". Cleaning up their cars, and cranking-up their stereoes, local teenagers prepare to cruise into the early morning. This is a favorite pastime passed on from our parents. As junior, **Shane Bradley** said, "Our parents did it, we do it, and our kids will probably do it." Even though being restricted, "cruising" remains one of the top local activities.

Since Four Seasons Cinemas came to Hendersonville, its theatres have been inhabited by hundreds of teens every weekend. Some see rated "R" movies, some see PG 13 movies, but suprisingly enough the most commonly viewed movies are PG, ranging from cartoons to horror to action or a combination. Junior, **Keith Edwards**,

summed up his view of movies saying, "Movies are a great way to get away from it all, problems at school, home, wherever. You can always count on having a friend at the movies."

On any given weekend, one can always find something happening at the mall. Merchandise ranging from the ordinary to the exotic can be found. From buying toothpaste to building a new wardrobe, a continuous stream of people pass through the mall.

Two of the most visited places for students in the mall are Camelot Music and Spaceport Arcade. Music from Hank Jr. to Petra to U2 and games from Pac-Man to the latest high-tech adventure can all be enjoyed here.

Shane Gragg, Kristey Lamb, Jimmy Barnette, April Peeler, and Brandon Smith pose in front of the theater, a local hangout.

Sophomores, **Brandon Smith** and **Shane Gragg**, relax while anxiously waiting for their dates in front of Four Seasons movie theater.

AND SUMMER

Sunbathing, water skiing, long relaxing vacations, sleep time, and spending time with friends represent only a few of our student body's varied summer activities. Summer has always been a time to unwind from the activities of their busy school year.

The Eagles spread their wings during vacation time and are likely to be found any where in the world where there's fun and freedom to be found. These exclusive shots of the Eagles were taken at some of these fun, free moments; yet, whether expecting the picture or not the Eagles are always enthusiastic, excited, and ready for whatever may come their way. Junior **Alisa Cantrell** said, "To me summer is the most exciting time of the year."

Summer romance is always a favorite with everyone. Long walks on the beach with that special someone at sunset. Splashing in the water as the sun beats upon your back and the waves roll lazily around you. All these represent summer romance and our Eagles make sure they have their share of fun and the pain that comes along with it.

Swimming on this summer was difficult although juniors, **Lisa Day**, **Michelle Dalton**, and **Christy Gibbs**, have mastered it with their shapes in the shadow and a smile.

These seniors pose dressed for a summer night out. Their togetherness shows the friendship between **Lisa Worsham**, **Tammy DiMattia**, **Christy Lively**, and **Caroline Blythe**.

STOOD STILL

The sneaky shot by a relative shows Student Body President, **Wendell Erwin**, demonstrating a favorite summer past time with his friends **Jason Tweed** and Teddy Bear.

Juniors **Ginger Maybin** and **Jennifer Drake** pose enthusiastically for a picture during the summer on the balcony of their hotel in Myrtle Beach, South Carolina.

With sunglasses and grins, sophomores **Wendy Turner** and **Bennie Justice** take time out from their busy summer schedule for a quick snapshot between activities.

Basking in the sun beside the pool, senior **Tim Garren** takes time out of summer activities to kick back and relax as his girlfriend, **Lori Nix**, snaps a quick picture.

HOMECOMING '87

On Oct. 16, 1987 **Cricket Pace** was crowned Homecoming Queen followed by Senior Representative, **Lisa Worsham**, Junior Representative, **Kristi Doyle**, and Sophomore Representative, **Rene Nelson**. Many activities took place during the week, such as Spirit Days, Powder Puff, Parade, Car Show, and Homecoming Displays.

The week began with great anticipation of the days ahead. Nerd Day kicked off the week with a bang and Super Hero Day closed the week. The stu-

dent's participation in the activities set the stage for the activities Friday night. At the football game, the fans showed their excitement as kick-off began the Eagles' flight against Pisgah. The two teams proved very competitive and played an excellent and interesting game, which was a success for the Eagles. The girls all looked very proud as they were wheeled onto the field in convertibles. The players joined the girls on the field and escorted them proudly; all of which made Homecoming a huge success.

SPIRIT

WEEK

Rah! Rah! Spirit at East Henderson is one of the highest in Western North Carolina. If you don't believe me just look at Homecoming Week. This was the most outrageous yet! Some of the people who really showed off were **Rick Russic** and **Gina Martin** for Nerd Day. For the Toga Partying People **Kevin Wright** and **Heather Spreeman** show true style. **Duane Nix** and **Dawn Johnson** won the most spirited on Spirit Day. Thursday morning started with the car show competition. There were all kinds of cars entered in the show but only a

few won. All of the cars won were shown off at the Female Football game.

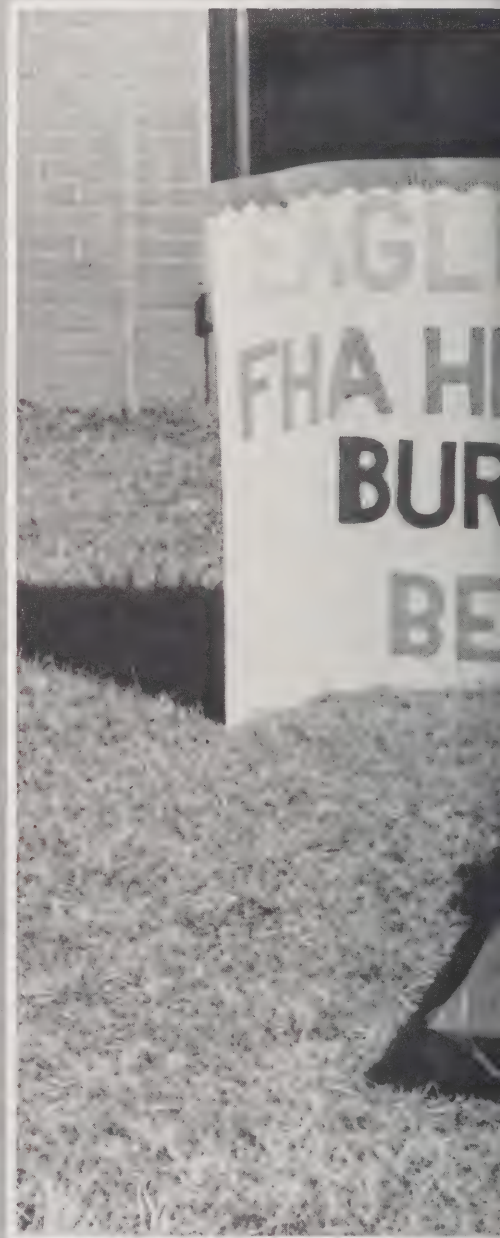

The cheerleaders had a look that surely took years to achieve, but they taught a cheer or two.

Even though the Seniors lost to the underclassmen, the Female Football game was great — watching all those girls make complete fools of themselves. The night of Homecoming, our great team won. Rah! Rah!

Caesar told us that the best Toga party was the Fad. The best Toga party was **Kevin Wright** and **Heather Spreeman**.

Who's under there? We know who. Yes, it's a bear under there! A goal completed. East Henderson 7, Bears 6 — six feet under the dirt.

Coach Pace telling his players to bust some teeth and make them eat dirt, even though the senior girls lost 14 to 7 to the underclassmen.

No they are not American beauties. Just the cheerleaders of the roughest game ever held at East Henderson — the all female football game.

Is he a real nerd or is he fake? No one knows but him. Even if he is not he sure looks like one. So **Rick Russic**, what are you?

Many students here at East have part-time jobs. These jobs range from cashiers and sales clerks at K-Mart and Belks to short order cooks at McDonalds and Burger King to bag boys at Ingles and Community Cash to lawnwork for friends and neighbors. Senior **Jenny Hyder** said, "I work so I can buy all the latest styles."

Many of the Eagles who have part-time jobs work for financial reasons and to feel independent. Some work to buy either that very first car or to make payments on a new car. All in all money is the biggest reason that so many students work.

Some of the student body work to feel independent. They like to know they are in control of their own lives. Having a job gives them this independence. Many students dislike relying on their parents for money. Although they may not make a lot of money, the small amount they do make helps them feel financially secure. Senior **Kevin Wright** said, "I work so I do not have to depend on my parents for money."

As our Eagles mature and start to spread their wings, you will find them hard at work struggling either for their financial security or their hard-earned independence.

STUDENTS

CAMPUS

ON

Life on campus is one of fun. Playing the game of trying to pass each class; while getting on the teacher's nerves as much as possible. Each student has his own style of doing this.

Some styles are known more than others. Some students, to achieve this goal, talk all the time in class while the teacher is giving a lesson on the parts of the Cuckoo Clock. Some students prefer to be more involved with the jokes.

There are some exceptions, some students are trying to get through with honors. Making the grade is their life. But everyone knows that deep inside them, there is a class clown ready to break out. They suppress this feeling as they try to get into the best colleges.

The seniors know it is their last year at East so they are trying to make it their best year yet. They do this with lunchtime fun, football and basketball games, and down right fun with friends. Life is a little hectic as they try to get everything together for life after high school.

Students, feeling confident of their standing, find their classes demanding so they rise to meet the challenge. They lighten the load of class with jokes on teachers like kidnapping Mrs. Wall's pet caterpillar and watching as the ransom notes appear. Some felt proud when they came to East to find that they fit in well and that they are just as crazy and fun-loving as the ones already here.

Brian Rose, Christy Gibbs, and Brent Poston wander back to class after meeting friends for lunch.

Jamie Banther and Jon Siniard discuss a very interesting prospect as they relax after lunch time.

EAGLE STYLE

Each year at East Henderson High, new fangled fashion ideas emerge. Whether they be new, innovative ideas or old favorites brought back to life, students at East seem to respond well to the changes. For example, one new fashion this year was old fashioned lace-up boots for girls. At first a little timid because of the "old" look, girls gradually accepted the fad and started to buy their own. Another such "in" look was tie-dyed shirts, which became quite popular at East.

Although new fads seemed to take East by storm, old favorites held their own. The classic turtleneck layered look remained fashionable as well as the ever-popular sweatshirt look. Letter jackets, as always, were a must in many wardrobes. Class rings, now available in many more styles, continued to be seen on most, as well as a wide variety of Swatches.

Not only were fashions a big part of the school year, but other fads were as well. For example, Spuds McKenzie was introduced and became instantly popular, as did the movie Dirty Dancing, which cast several East students. One of the most widely seen fads at East was the multiple keychain concept. Keychains in all shapes, sizes, colors, and styles added variety to the otherwise dull keys.

1987-1988 proved to be an exciting and fun year, thanks to the "escape from the ordinary" offered by fads!!!

ACID REIGN

This year a new craze hit East Henderson High with full force — Acid Washed Denim. Acid washed denim comes in various shapes and sizes, such as skirts, purses, dresses, jackets, and even shoes. But by far the most popular style is acid jeans. Walking through the mall or school, the faded, worn out look of acid wash can be seen on the young and old alike.

The main attraction of acid denim is the comfort. As junior Glenda Lindsey puts it, "Acid denim is great! It's so comfortable and you can wear it with anything." Versatility is another plus of these ultra fashionable clothes.

Almost all the major designers have come out with a line of acid denim. Some of the most popular designers seen around East are Palmetto, Guess, Jordache, and Forenza. "Acids" can be purchased at virtually any clothing store in Hendersonville. The prices range from about \$20 for a pair of jeans to about \$100 for a jumpsuit. But it's obvious that at East High, students don't allow prices to affect fashion!

Maybe the acid is having an adverse effect on sophomore Tony Candler!!!

A MEMORIAL TO A WONDERFUL LADY

The Lord is my shepherd; I shall not want.

*He maketh me to lie down in green pastures;
he leadeth me beside the still waters.*

*He restoreth my soul: he leadeth me in the
paths of righteousness for his name's sake.*

*Yea, though I walk through the valley of the
shadow of death, I will fear no evil for thou art
with me; thy rod and thy staff they comfort
me.*

*Thou preparest a table before me in the
presence of mine enemies; thou anointest
my head with oil; my cup runneth over.*

*Surely goodness and mercy shall follow me all
the days of my life: and I will dwell in the
house of the Lord forever.*

*Psalms 23
A Psalm of David*

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The Lord replied, "My son, My precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

Okay girls, what have you done now?

"We have finally made it! At the homecoming assembly at the end of the 86-87 year, that phrase entered the minds of each member of the Class of '88. At that moment, mixed feelings clouded each heart. Not knowing what to expect of the Senior year, we accepted the challenge of living up to the standards of previous Senior classes, and setting examples for those to come. For the past few years, the majority of the group has been together, learning, growing, maturing. Only after probing the inner self did each one realize their full potential to obtain any goal they desired. As Senior John Ashley said, "I'm glad I'm a Senior. It was worth the wait." Throughout the year, whether it be in good times or bad, the Class of '88 was definitely "Reigning Supreme!"

JUNIORS

Junior Class Officers: Brian Rose (Vice President), Megan Ledbetter (Secretary/Treasurer), Marc Garren (President)

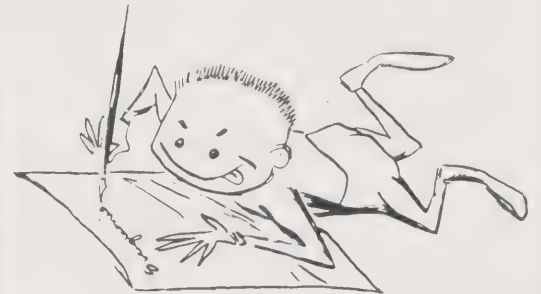

Being stuck in the middle was by no means the choice of the Junior Class. More difficult classes and contradicting schedules caused many juniors to become more responsible and more mature both academically and mentally. The Junior Class definitely showed its spirit throughout the year in all the athletic activities and supported our many teams. With the help of the Sophomore Class the juniors decisively beat the seniors in the ladies football game during Homecoming Activities. Many juniors, looking toward the future, became aware of careers and job opportunities. Some juniors began looking at colleges they might one day attend. Considering colleges turned their thoughts to SAT scores and the importance of their grades. Most juniors were concerned about raising money for the Junior/Senior Prom and making it the best and most remembered ever. Even with the many exciting and challenging activities that the juniors were involved in, their minds still wandered to the year ahead and the challenge of being a SENIOR.

Dawn Gibbs, a junior at East High, seems to be puzzled over a problem while in the library catching up on some of her homework.

Junior, James Hamil, expresses dramatic skateboarder style with his jewelry and bright colored clothes.

East Henderson is very proud of Tammie Dupont, who won the Voice of Democracy Essay Contest at East and also on the district level. Dupont's essay went on to compete at the state level and here she finished fourth in the state. What a great accomplishment!

SOPHOMORES

At the start of school, new sophomores fill the halls with excitement. Every year, they are trying to find their way around, asking for directions when they get lost, and wondering which way to turn. Each year, new sophomores come to East Henderson High to face the challenges of high school. Many come with the expectations of having new privileges never before known, and some have slight regrets of having to leave Flat Rock Junior High. Even though this is the first year for most of the students, many have either friends or brothers and sisters already here at East. This makes the transformation to high school less of a challenge and more of a beginning for the good times that are to come in the following years. As the year proceeds, so does the progress of the sophomores, and they become more sure of themselves and their school. Although the time may not have passed as quickly for sophomores as it did for the seniors, the year did not seem to drag on. It is not hard being a sophomore at East, but one has to put forth the effort and try in all things they begin, and finish them with a great sense of accomplishment. With the last days of school, the sophomore class is filled with the anticipations of becoming a Junior.

What homework are we supposed to have tonight, other than everything?

Waiting for the lunch period to end, hoping it will last a little longer.

Coach
Lee Hebb

Catcher Tina Mashburn and Coach Hebb lead the team in a little practice before a game.

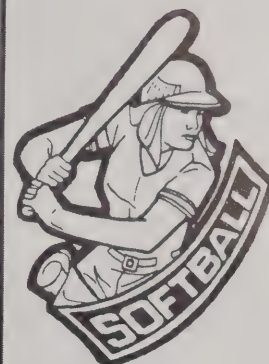

With only one senior on the 1987 squad, the Lady Eagles struggled throughout the season. Although these young ladies finished the season with a record of 2-12, they held their heads high and continued to work hard during every practice and game. Youth and inexperience were evident in the Lady Eagles disappointing losses. However, with eight returning lettermen, the '88 season looks very promising. As shortstop Amy Beddingfield said, "I think we really improved as the season progressed. With only one senior, we were young but I think that next year we will be much better."

A bright spot in the season was the victory over Tusculola. Always a tough conference rival, the Lady Eagles came from behind to defeat the Lady Mountineers. Also, many of the losses were tough contests that were decided in the final inning.

Leading the way for the Lady Eagles were sophomore Tammy Gilliam, Most Valuable Player and Highest Batting Average and senior Annette Saltz, Golden Glove and Highest Fielding Percentage. Sophomore Thonya McMinn won the Most Improved Player award.

With all this returning talent, great things will be expected from next year's team.

Although always serious during the games, these Lady Eagles took a few minutes before the game to relax and laugh.

BASEBALL

Tony Osteen awaits a slam.

1987 All Conference Tony Osteen, Andy Nelson, and Derek Hawkins.

Thought before a game.

...with a hit.

The 1987 baseball season proved all but disappointing. East made it to the State playoffs for the third year in a row. The Eagles are going to lose some key players in the up and coming year, but there are new hopefuls coming up. With the brilliant coaching of Wendell Ireland and Alan Bunch, there promises to be another shot at State.

There were three baseball players from East who made All-Conference. They were Tony Osteen, Derek Hawkins, and Andy Nelson. If any of these players wanted to pursue a life in baseball, I'm sure they could.

The parting Seniors include Tony Osteen, Derek Hawkins, Charlie Cornwell, Andy Nelson and Andreas Vegas.

The baseball team made it to state, but were beat in the first round by Chase High School (0-8).

The strong-hearted efforts and willingness of the players to form a team led them to a winning season.

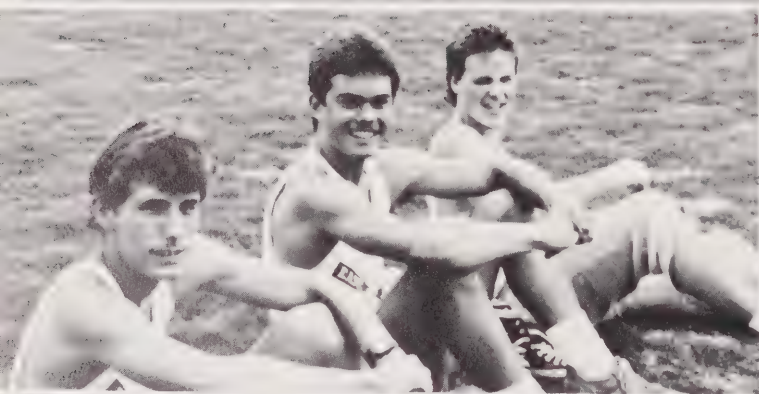

Members of the team are: (1st row) Chad Cagle, Chris Hunnicut, Rodney Justus, Dale Snyder, Mike Sain, Robert Vaughn, Dennis Hardin, Wendell Erwin, Scott Wilkie (2nd row) Wendell Ireland (Coach), Chris Ricketts, Tommy Garland, Charlie Cornwell, Derek Hawkins, Tony Osteen, and Andy Nelson, Andreas Vega, Alan Bunch (coach)

Patricia Worley prepares
for another intense race

The boys' track team, coached by Mr. Boyd Tebben, had an outstanding season this last year. They beat Enka and Erwin in dual meets, came in third place at the Burger King Invitational, and came in second place in the Henderson County Invitational, sixth in the WHKP Relays, and third in the Times News Invitational. Coach Tebben commented that the team was "very competitive last year, probably the most competitive team that East Henderson has had in a long time." This was shown by placing second in the Conference, third in the Sectionals, and fourth in the Regionals. East High also placed in the State track meet.

In addition to these prominent results, there were four track records broken at East. Jon Orr broke the school record in the 100-meter dash and Michael Greene broke the 300-meter intermediate hurdles record. The 400-meter relay and the 800-meter relay records were broken by a team consisting of Jon Orr, Michael Greene, Bobby Morgan, and Todd Baker.

The girls track team, coached by Mr. Wayne Morgan, also had an excellent season. They came in fifth place overall in the conference to finish off their competitive season.

Two school records were exceeded. Ann Thomas broke them both — one in the half-mile and the other in the mile.

A relay team consisting of Ann Thomas, Julie Young, Debbie Hollingsworth, and Lisa Myles did exceptionally well. They qualified for the sectionals and the regionals. They finished first place for the girls in the county and second place overall — girls and boys combined.

Ann Thomas and Julie Young qualified for state. Ann finished third in the sixteen-hundred-meter and Julie finished third in the thirty-two-hundred-meter.

1st row: Ann Thomas, Debbie Hollingsworth, Julie Young, Patricia Worley, Michelle Taylor, Stephanie Jacobs. 2nd row: Lisa Myles, Rene Glisson (mgr.), Megan Ledbetter (stat.), Collette DeKeiser, Laura Rollins.

FOOTBALL

Although the Eagle Football team did not have a winning season this year, members of the team put forth much time and effort in the games. When the team was on the field, each member gave his best efforts in trying to win. The limited number of returning players caused East to have only one football team this year. The inexperience of many of the players did not prohibit them from trying and giving it their all. Next year looks promising with the possibility of more returning players paired up with another year of experience. The future of the Eagles should get better with time. Senior Jonathon O'Shields said, "The team worked hard, had a lot of spirit, and put forth much effort in each and every game."

What's the problem?

The varsity cheerleaders, sponsored by Ms. Vicki Jones, attended cheerleading camp at Furman University, July 7 thru July 10. They received a blue ribbon every day and also brought home another spirit stick. Tammy DiMattia was nominated for Miss NCA and Tara Vitale participated in the modeling show.

"It's great experience and a lot of fun," Michele Hill stated about being an East High cheerleader. Tara Vitale thinks that "it helps you to become a more outgoing person." All of the girls did a fantastic job in keeping up the Eagle spirit this year.

The junior varsity cheerleaders also attended Furman University Cheerleading Camp. These girls also won a blue ribbon for their overall performance and brought home a spirit stick.

The JV cheerleaders cheered for volleyball this year because there was no junior varsity football team. They also cheered along with the varsity cheerleaders during Homecoming to heighten the spirit of the student body, parents, and fans.

Overall, the cheerleaders have added a little extra excitement to each sporting event. These young ladies deserve much praise for their never-ending efforts to raise school spirit.

The 1987 cross-country teams, under the direction of Mr. Dick King, succeeded in displaying their fine sportsmanship and consistent efforts this season. The group has once again widened its radius to have more participation from both sexes. Their togetherness as a team kept them running ... and kept them winning.

The most valuable girl was Lisa Brown, a sophomore, and the most valuable boy was also a sophomore, Travis King. Captains were Tina Lambert, a four-year letterman, and Brian Kidd. Other four-year lettermen were Scott Poole, John Ashley, and Mike Leslie.

The two teams competed in eleven meets this year, including Regionals, where the girls finished fifth.

In the 3A/4A Conference, the girls finished 3rd, while the boys were 5th. Lisa Brown was named to the All-Conference team.

Although the junior varsity boys suffered through a tough season, these young men never gave up. They played with a great deal of enthusiasm and never stopped striving to be the best they could. With only 1 junior and 10 sophomores, the team was young but they made every game a learning experience. By the end of the season, the Eagles had matured into a fine team and we expect great things from next year's squad. Thanks for never giving up, guys. You taught us all a lot about determination and stamina.

This year's varsity girls basketball team once again had an outstanding season. Behind the leadership of senior Kim Stephens and junior Tammy Gilliam, the Lady Eagles captured the Henderson County Christmas Tournament for the second consecutive year. Stephens was named to the All-Tournament team and Gilliam won the MVP award.

The Lady Eagle squad was made up of 4 seniors, 3 juniors and 4 sophomores. These young ladies worked hard every day and showed their true talents in every outing. Each game, the team came out ready to win . . . and win they did. The girls played with a great deal of determination and gave us a lot to cheer about.

Congratulations Lady Eagles on a job well done!

The 1987-88 men's varsity basketball team got off to its best season ever. They compiled a record of 5-0 before falling to Erwin. But this did not stop this determined group of young men. They only worked harder and won their first ever Henderson County Christmas Tournament. Senior Bruce Gilliam was named a co-MVP of the tournament. Senior Jason Tweed and Junior Brent Poston were also named to the All-Tournament team.

Throughout the season, the 8 seniors and 3 juniors on the squad never stopped improving. Whether it was an easy win or a game that went down to the wire, our boys played with an intensity that could not be matched.

Congratulations guys!

The East Henderson Volleyball Team attended a summer camp before the season began headed by the volleyball coach from Western Carolina University. During this week of hard work, a lot of skills were mastered and lots of talent was exhibited.

Even though the varsity volleyball team was unsuccessful, the season will be used as a building block for next year. The team consisted of only four returning seniors which made it difficult for the team because the majority was just being introduced to the varsity game. There will be six returning varsity players next season eager to guide the team to victory.

The junior varsity volleyball team had an outstanding record this season — a tremendous comeback from last year. Each girl contributed her efforts and determination to keep the spirit alive. They worked together as a team to make their record shine. A terrific, high-spirited attitude was obvious among the girls and this winning attitude remained consistent. It plays an important role in the outcome of the season. These young athletes demonstrated the potential of being a champion team. Some of the girls will move on to contribute their part to the varsity team and a few will remain on the junior varsity team to guide the newcomers to success. All will remain an important part of the volleyball game and be proud to be an athlete at East Henderson High School.

SOCCER/TENNIS

That's great Ken but suppose to kick them?

For those of you who aren't familiar with soccer, it is the most popular sport in the world. Now, this sport has worked its way to East Henderson High. This was the first year for a soccer team at East Henderson. The soccer team posted a 0-13 record. Although the team failed to win a game, many things were accomplished. The team, a group of individuals who had never played together before, learned to function as a group. Many players who hadn't played soccer before improved their soccer skills.

Coach Evaul was pleased with this season even though their record wasn't very successful. Coach Evaul is looking forward to next year where he will be expecting twelve of this year's team to return.

The soccer team was lead by three seniors: Bert Klein, Scott Harris, and Corey McGraw. Scott Harris lead with most goals scored while Bert and Corey controlled the game tempo on offense and defense.

The 1986-1987 school year was the first time East Henderson fielded a tennis team. The team achieved a 3 and 9 record. The team notched victories over Enka, Pisgah, and Edneyville. The tennis team had a much better season than their record stated. Four games were lost by only one match. Their three and eight record placed them 5th in the conference out of seven.

The tennis team was lead by starters Bruce Gilliam, Marc Garren, David Russel, and Greg Pace. Bruce Gilliam was given the Most Valuable Player award and Marc Garren won an award for the best winning percentage.

Coach Saltz is very complimentary of the team. He said that although the team was young and inexperienced, they worked hard. He said that he is looking forward to this year's team because he has four returning lettermen.

Although the Eagle swim team had a tough season as a group, several individuals made significant contributions to the program. With several first place finishes, Patrice Orr qualified for regionals. A new competition, diving, was also added to the meets.

The seven members of the 1987 golf team worked hard throughout the season. Under the direction of coach Eddie Reneau, the young team made considerable progress. With several golfers returning, we expect great things in the future.

BOOSTERS

Parents of the football players are a vital part of the Booster program.

Booster members worked the concession stand at every game.

Linda Marshall always had a smile when it comes to East

Francis Hunnicut is always willing to sell a few souvenirs.

These Boosters frantically try to get everyone's order ready.

This Booster tries to catch a glimpse of the game while working.

The Boosters Club is an organization of adults working together to help the athletic department. They do many things each year to help the athletics at East High. Members of the Boosters Club deserve much praise and thanks for all their efforts. Through hard work and organizing, they have made East one of the best schools in the county. This year the Boosters Club bought a new eagle, which stands at the entrance gate of the football field.

With the continuing support of this very important club, athletics at East High should continue to improve.

CLUBS

STUDENT COUNCIL

This year's Student Council took action and made East Henderson a better place in which to attend. It began with our homecoming. The assembly started the week off with a bang. The participants were stunning in their formal wear as they presented themselves to the student body. The week continued with a parade, car show, pep rally, football homecoming activity, and bonfire. Our football team was victorious in their game against Pisgah and celebrated their win at the dance, which was also sponsored by Student Council. As a senior representative and Student Body Secretary **Tara Vitale** said, "This years homecoming was a big success and the student body showed great school spirit." This spirit was reflected throughout the year; the Thanksgiving food drive was a perfect example. Homerooms donated canned goods and money for needy families in a competition for class points. These dedicated students kept on top of things by meeting every other Tuesday at 8:00 in the morning to discuss the latest school activities. Student Council continued their school support throughout the year making it one to remember.

FBLA

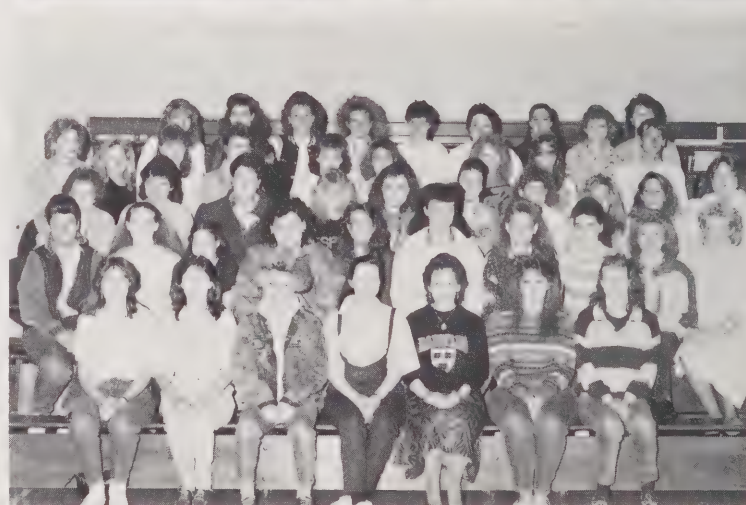

Most people know that FBLA stands for "Future Business Leaders of America", but many do not realize how important this type of club is to East. FBLA helps prepare students for careers in the business world and helps the students to establish and perfect their business skills. One of the major activities each year includes participating in the district and state levels in competitive events of which many members in previous years have placed very well. The chapter participates in service to the community, with this year being no exception. The students of FBLA help prepare certificates of recognition for students who make the honor roll each nine weeks. This year the officers went to a Leadership conference where they learned very much.

FFA

Future Farmers of America (FFA) is one of the most important clubs at East Henderson High. This organization helps the young adults at East learn more about the farming vocation, along with many other things that go along with farming. Mr. Ashburn, the sponsor of this club, is very proud of the group of fine young men and women in the group. This year the group of sophomores that went to the tool identification contest came in first place in the first level of competition, and they went on to the next level to compete. Because farming is an important part of Western North Carolina, the Future Farmers of America is an important club to East. Learning about farming is not the only thing they learn about. They also study other things during the year such as welding, mechanics, and a variety of related subjects. The members of Future Farmers of America are proud to be in the club, as East is proud of the members and the club. It seems as if each year the club and its members get better and better.

FHA

Future Homemakers of America or FHA is a Vocational Club nationwide. This club performs public services for the needy in our community. For Christmas, FHA adopts a needy family and supplies gifts for the children. These gifts include clothes, shoes, games, and toys. FHA also goes Christmas caroling at rest homes and retirement centers.

FHA educates students on the daily aspects of family life. This club teaches humility and understanding towards the underprivileged in our community. It teaches its members to be better citizens.

FHA — HERO

FHA HERO (Future Homemakers of America) is a program we have here at East Henderson High School. Ms. Margaret Davidson is the sponsor. Ms. Davidson sends her students out on a job to "learn as we earn". The students go to school as a credit and go to work for a credit in her co-op program.

FHA is a very interesting program. Ms. Davidson has a lot of students working on the co-op program. The students get graded for working in a food establishment. Their employer grades them for the good job that they do. It prepares these students for the real world of foods.

KEYWANETTES

The Keywanettes Club is an organization of selected young women working to promote good human relationships through school and community projects. The Keywanettes are a service-oriented club. They hold fund raisers and go to different area churches to show their support. They held a Halloween Carnival for a group of area children. It was great fun for the members and the children alike.

What is a Keywanette? A Keywanette is a young lady that cares about her school and community. She takes pride in helping others. All those that she tries to help as well as herself benefit from her efforts. The knowledge that she is doing what she can for another gives her a warm feeling inside. In the words of Nicole McClure, "It's the most active club I've ever been in. We do a lot of projects that help other people, but they are fun for the members, too."

KEY CLUB

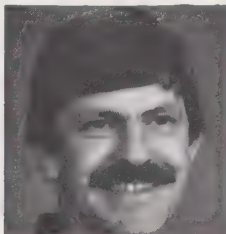

The Key Club is a service club which is reserved for young men. The Key Club is dedicated to improving the students and the overall school atmosphere. Key Club is sponsored by the Hendersonville Kiwanis Club.

The members are busy doing something all year — whether it's the Red Cross Blood Drive, going to different area churches to show their support, going to Kiwanis luncheons or just helping in any way they can. The Key Club gave food to needy families and worked to improve campus conditions. When asked about how he felt about Key Club, Lee King (Sec./Tres.) replied, "I think Key Club is fun and gives you the chance to get to know people and make new friends. I like our administration and what Mr. Paige has done with our club." Lee also remembers his most common request from Mr. Paige, "Lee, would you type this up please."

INTERACT

Interact is an international club for high school students sponsored by Rotary International with a threefold purpose: service to school, community, and the world. Local Rotary Clubs organize, and advise Interact. Interact hopes to develop leadership and integrity through participation, build respect for the individual based on understanding, better the school and community in any way possible, serve others in a helpful and cheerful manner, and build character by learning to submit to authority. Interact is the only co-ed service club at East and the only Interact club left in the county. They meet no less than twice a month and are an active club. They've supported basketball and volleyball games, caroled at various resthomes, attended Rotary luncheons, timed swim meets, and repainted the numbers on the senior parking lots. Each year Interact sends an eligible student to Germany. Senior **Bert Klein** said, "This helps the student learn of another culture and expand his leadership abilities."

SADD

SADD is the anachronym for students against drunk driving. This club is open to any student who feels drunk driving is wrong. Towards the holiday season they posted numerous signs reminding students of the consequences of driving drunk. They also held a seat belt check. Every student who was "buckled-up" received free fries from McDonalds, and the knowledge that they would be secure on their way home. Junior **Jason Burns** said, "If I could just stop one person from drinking and driving it would be well worth the effort."

Many people that we care about are hurt or killed each year by a car accident being involved in a car accident with a drunk driver. Students Against Drunk Driving hopes to decrease the number of accidents in our area by informing people of the serious risks they are taking by driving under the influence of alcohol or drugs.

VICA

VICA stands for Vocational Industrial Clubs of America. VICA offers students the chance to completely develop their carpentry skills. The students in VICA are planning to enter an industrial field after high school.

VICA is symbolized by its emblem, the torch of knowledge. The orbital circles symbolize new technology and research; the gear, the traditional symbol of industry; and the trained hands of youth reaching for the torch of knowledge.

When asked about how he felt about this year's club, **Mr. Thompson** said, "We have a lot of sophomores in the club this year and I hope that by them participating in VICA all through high school, they will be a strong team for competition. I hope to have two representatives from our chapter go to the skills competition later this year."

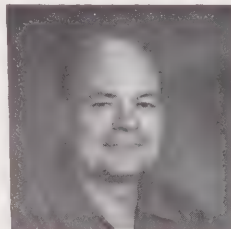

VICA helps the Christmas Bazaar by making items to sell. The time and effort put into making quality goods can be seen just by looking at the items.

DRAFTING

The Drafting Club at East Henderson High is sponsored by Mike Matthews. Members of this club include sophomores, juniors, and seniors. To become a member of the Drafting club, students must enroll in the classes of Drafting I to III. Throughout the year each student learns more about the field of study through hard work and studying. In previous years, members of the Drafting Club at East have gone on field trips to business organizations which include drafting in their work tasks. Most of the students enjoy being in the Drafting Club and being a part of the Drafting classes. These classes help some students to find a career goal in the Drafting fields.

HOSA

HOSA (Health Occupations Students of America) is a national organization for students enrolled in health occupations education. Activities in HOSA provide individuals an opportunity to develop physical, mental, and social skills.

HOSA projects have included visits to local nursing homes, touring certain health facilities, attending community blood pressure screenings, and volunteer work with the Red Cross mobile.

Members strengthen their self confidence and leadership abilities through participation in district, state, and national competitive events. East Henderson HOSA is led by Mrs. McClure and consists of twenty members. According to sponsor, Mrs. McClure, "club membership is lower than usual this year but everyone seems to be very enthusiastic about our events."

DECA

DECA (Distributive Education Clubs of America) is a vocational club designed for the student who is mindful of a career in marketing and/or business education.

Even though DECA is mainly a business club, it does have a soft spot for the needy in the community. Over the Thanksgiving and Christmas holidays DECA helped four needy families in Henderson County. They supplied them with food, clothes, and some gifts for the children.

Each year DECA does a project for MDA (Muscular Dystrophy Association). They do various types of fund raisers all through the school year to help benefit Jerry's Kids.

Most of the students in DECA are involved in the co-op program. This means that they are allowed to leave school and go to work in an appointed place. It is there they get on the job training. This gives students an opportunity to see as well as learn about the business world.

FCA

FCA stands for the Fellowship of Christian Athletes. The FCA is not reserved just for athletes, anyone can join. FCA holds meetings on the second and fourth Mondays each month. FCA is designed to help members deal with frustrations on and off the court through Christian fellowship. FCA Purpose — "To present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church." The FCA has a lot of activities a few of which are — lock-ins, FCA retreat, Christmas party for needy, FCA Day, which involves area high school and college athletes. All FCA activities are centered around Christian Fellowship and having a good time. The only requirement for membership is to show at meeting time with a smile on your face. They have prayer and guest speakers and student devotions. The members believe that they should help one another in any way they can. "But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God." John 3:21 Praise the Lord, Amen.

AFS

American Field Society is the organization for students interested in cultures abroad. Their meetings consist of an educational introduction to a different country along with a dish of their cultural food. This year American Field Society was proud to boast of three foreign exchange students in their club. A dinner was held introducing these students and discussing their stay in the United States of America.

As a senior member and President of American Field Society Tracey Turner said, "AFS broadened my knowledge of other cultures and helped me become closer to this year's foreign exchange students." Even though AFS only became active last year, they are well on their way to achieving their goals.

SLIDING DOWN THE SLOPES

This year the Ski Club and Ski Team were given ample opportunities to show their skills in slipping down the slopes. The snow coming down in January meant, for many of us, getting out of school and playing in the snow with friends, but for the members of the Ski Club, this snow gave them a chance to show their stuff. They took trips throughout the cold season to the various ski resorts in the mountains of North Carolina. The members really had fun in the snow!

ACADEMICS

ACADEMICALLY SUPREME

The emphasis on academics at EHHS has been an important factor to the students as well as the faculty. Our SAT level moved up to above the national average.

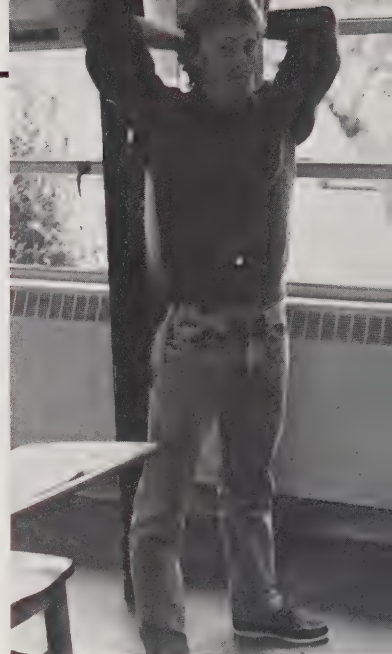

"I think the hard work put in by the students and teachers has lifted up the school name and the students have actually started caring about the academic emphasis.", replied Sandy Hill.

Competition has been great within the school whether it be with teachers or with students. "I never really thought about competing with my peers until this year when it came time to apply for college and scholarships.", stated John Ashley.

In preparation for college, many students took college-prep classes. These were rated "very beneficial to my future and challenging throughout the year.", said Beth Turner.

General and vocational classes provided non-college bound students with a head start towards a helpful job in the community and gave students a daily skill that could later be used on in life.

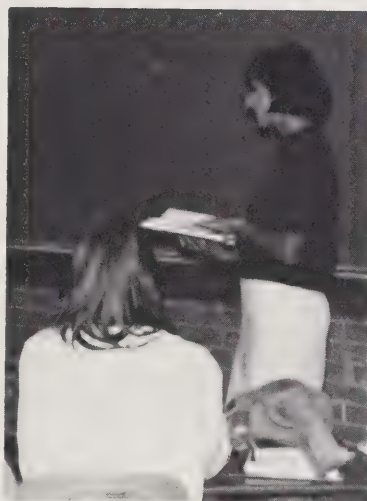

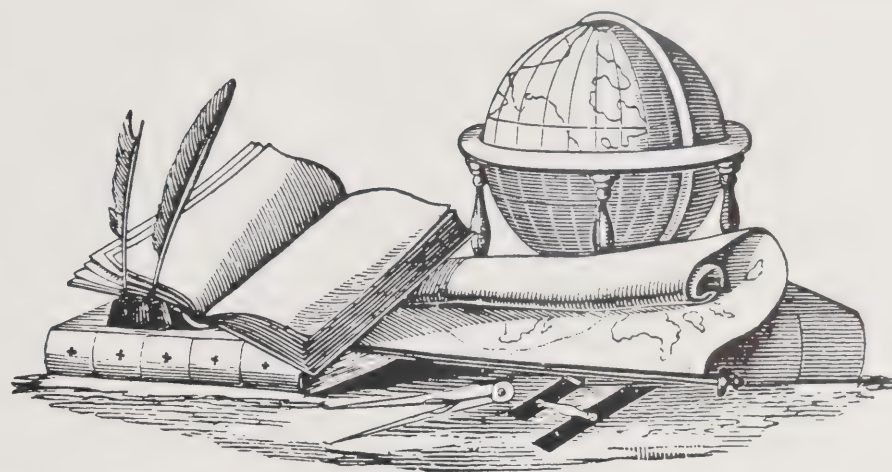

A lot of the seniors have set their goals and just like Rodney Shehan, are making their last year at East the greatest and the start for a bright future.

Many of the courses offered at East fit several students' tastes. Shop has been rewarding for many and has indirectly helped shape generations to come.

Strings, band, and chorus have all contributed greatly to our school while they helped develop individual talent that will be helpful in future years.

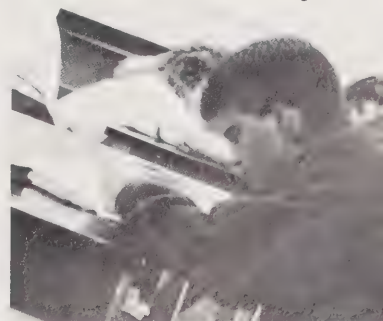

Because of steady, hard work of students such as Jason Burns, the year-book as well as other projects were completed with pride, determination, and will.

Typing along with other major vocational classes helped shape academics at East Henderson this year. Such classes are also affiliated with FBLA.

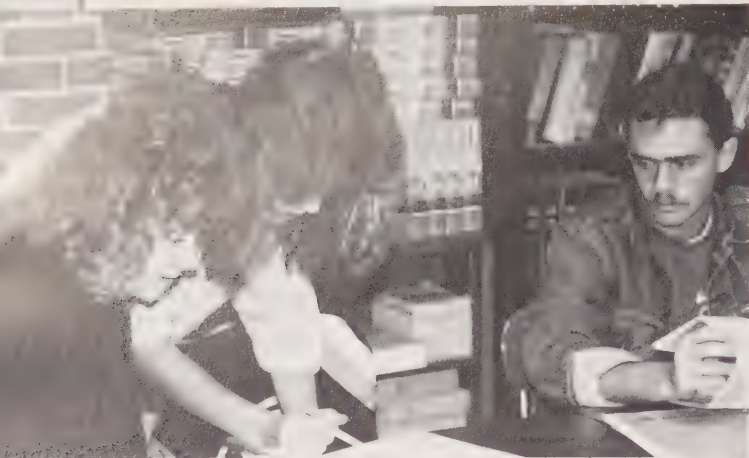

Without the faculty at East, the school would have been "a dull place". Because of teachers such as Mrs. Wall, students were academically helped.

Food service has been a helpful service at East Henderson this year by serving meals for sales such as magazines and candy.

Many of the students found time throughout the rush of various activities to still study. This can be looked upon as a promising sign for such students.

JOURNALISM

The journalism class works vigorously in order to publish the Eagle Eye, East High's monthly newspaper. The newspaper staff keeps up with what's happening around campus in order to keep students informed. The Eagle Eye has the latest news, not only at school but in the community. It includes articles on sports, advice on fashion, and club activities. There are also features on students with special achievements. The "Dear Dawn" column helps students with problems. The staff of the Eagle Eye creates a newspaper with articles of interest for everyone.

East High has a journalism club for the first time this year. Even though many members are enrolled in the journalism class, the club was organized for anyone interested in creative arts, such as writing, photography, and cartoons. The club was founded to give these students the opportunity to get together to share ideas and learn more about their interests. Members of the club have organized fund raisers, including a car wash and a dance, to earn money for club activities, such as a field trip to WSPA.

PICTURE PEOPLE!

The main goal of the Highlander Staff is to bring you the best annual we possibly can. This summer Tracey Turner, one of our editors, and Jenny Hyder, a member of the staff attended the Third Annual Jostens Yearbook Workshop in Chapel Hill, North Carolina. This is the first time anyone from East Henderson had participated. At Chapel Hill the two of them learned many innovative ideas to help improve our yearbook. This year our annual was changed dramatically because of their new ideas. They decided that the Highlander was ready for a facelift.

Those persons on the annual staff for the first time found out that it wasn't all fun and games. There were times of mad panic. The year was spent cropping pictures, writing copy, selling ads, and trying our best to beat the many deadlines issued to us by Jostens.

As a whole the annual staff is pleased with the outcome of the annual. They worked hard and long to do their best to satisfy you, the student body.

CHORUS

Chorus is one of the active groups at East. The talented members of chorus practice vigorously to prepare for their performances. They have entertained at Maranatha Baptist Church, Rest Haven One, and an assembly and a concert during the Christmas Season at East. They participated in the District Festival Competition at the University of North Carolina at Greensboro in May. Marcy Orr and Tabitha Barnwell were participants in State Honors Chorus in November. Deanna Hardin, a junior member, describes chorus as "a fun way to learn about music."

BOSTON POPS?

This year East High's Strings Orchestra is very active. Last year their instructor, Lillian Hall, was absent on maternity leave and returned this year with full force and a new baby girl. The members of strings are always busy whether its getting ready for contest, practicing for tryouts, or just having fun.

Not only does the string ensemble play for parents and faculty, but they also perform for many clubs and organizations through out the community. "Being in strings is a lot of fun; and it gives me a chance to express myself," says Ginny Ward.

The members of strings practice not only for public concerts but they individually may tryout for various other things such as All-State Band and the Messiah. "Strings has helped me out a lot; it gives me a chance to meet many new and exciting people when we go places," said Maria Wagner.

Several members of strings tried out for All-State and made it. If you are seated high enough there, you may also participate in Honors Band.

MUSICAL MOMENTS

Whether it be on the radio while riding down the road, during the football and basketball games, or during all the pep rallies throughout the year, music has played an important part in everyone's life at East Henderson High School. It not only gave the audience something that could be classified as talent, but also gave the players the encouragement they needed. Just as Greg Pace, point guard for the Eagle basketball team said, "Our pep band really gets our all. They really do get us 'pepped up!'".

"It's just the greatest feeling when I'm on the field. It feels like I'm really doing something worthwhile." — Chris Poor.

"Practice makes perfect." — "Practicing helps us raise our musical ability to great heights," said Amy Sama.

The kids have worked hard this year and I feel have made it the best for me yet." — Gerald Ledford.

Members of the band program, like Dennis King, have been able to take their talents to high limits.

"I feel the band has been great this year. All the hard work and good attitudes have helped us greatly." — John Schulze.

MARCHING SUPREME

The 1987-88 Eagle Marching Band upheld its reputation of excellence throughout the Marching season with a No. 1 Superior rating at the Land of the Sky Marching Band Festival and a special invitational performance at the Charlotte Christmas Parade and the 1987 Shrine Bowl. Senior Flag Captains Heather Spreeman and Terri Reed summed up Marching Band by saying "Marching Band is a lot of hard work, but it's all worth it because when we have a good performance, it's the greatest feeling in the world." A band can never reach it's potential without a good director. As senior Angie Jones said, "Mr. Ledford is a good director. We think of him as a father to all eighty-one of us. (Jerry's kids.)." The marching band has put great effort into trying to reach people in a special way that is unknown to many.

Rhonda Edgell, a 4-Year marcher, says that Marching Band has been one of the most enjoyable activities of her high school years.

Drum Major: Tina Mashburn

The Eagle Band's favorite crowd-pleasing song was "Rockin' Robin", a late 50's hit.

You shouldn't have to spend
the best years of your life waiting for
your jeans to look this good.

With Lee® Frosted Riders™ you
get the same worn look and character
as jeans two or three years old. The
difference is you don't have to wait
two or three years to get it.
Lee Frosted Riders. Because life

is too short to wait for your jeans to
grow old. Available in relaxed fitting
jeans, jackets and skirts. Grey, black
and indigo

TAMMY GREENE

No words can express how much I love you and how proud I am of you. Whatever the future holds for you, always remember to do and be the best that you can be.

I Love You, Dad

SENIOR ADS

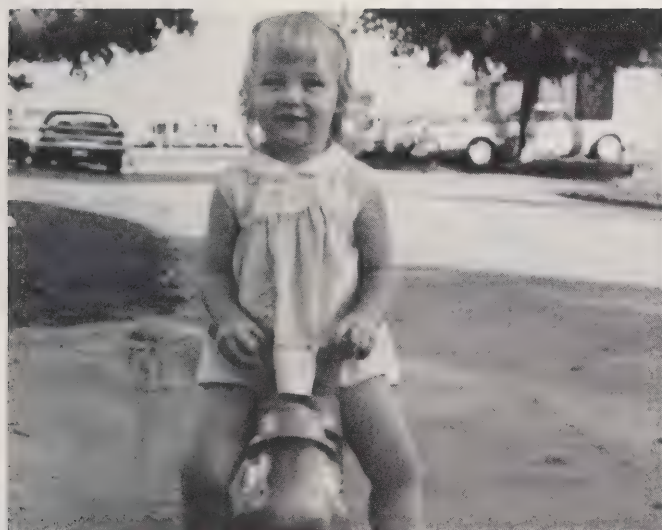

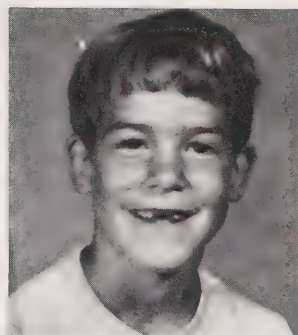

Thank you, Amy, for being the daughter that you are. If God had given us a choice of daughters and the ability to see into the future, we could not have picked better. From diapers to diploma you have been the sweetest and most important thing that we ever accomplished together. Our advice has been given and our examples shown — now it's up to you. Please consider long and choose carefully because you have too much promise to waste it. Congratulations and May God Be With You Always.

Love, Mom and Dad

JASON TWEED

You have made us proud of you in every area of your life. Whatever decisions you make in your life, we know you will take your strength, character, integrity, and honor with you. You are already a success! We love you.

Mom, Ted, Ben, and Matt

To our "Little Duke" — We are so very proud and love you so!

From Your Favorite "Pilgrims"

Dad, Mom, and Heath

Congratulations Marla

We are all so very proud of you. We pray you'll find happiness and success.

We Love You!

*Dad, Mom, Tracey
Uncle Kenny, Aunt Ruthie
and all the clan.*

To Denise, our firstborn . . . You have taught us patience and love and brought us so much happiness. "Who can find a virtuous woman? for her price is far above rubies!" (Proverbs 31:10) We are so proud of you!

Love, Mom and Dad

To Kim, who has graced our home, enriched our lives, and brought us joy, laughter, and love; To Kim, whose kind, generous spirit makes us proud to be her parents; Congratulations, Kim, on a job well done. We wish you love, success, contentment, and all the good things you so richly deserve. We pray God's will in your life and are so thankful He chose to bless us through you, our "Special K."

All our love, Mom and Dad

Well baby — it's not been easy — but you made it. Seems like just yesterday it was your first day at school — now it's your last. What can I say — We Love You — You're the best!

Class of '88

Mom, Dad, and Richard

Jay,

No father on earth could be more proud of a son like you. Good luck in whatever you choose to do.

Love, Dad

Jay,

I am so proud of you as I look back on all you have accomplished. I know you will find happiness and success because I am confident in your ability, knowledge, and values. I will always be behind you all the way! You are a terrific son! Congratulations!

I Love You, Mom

Jay,

Thanks for being such a wonderful big brother. I'm sure going to miss you when you go to college next year!

I Love You,

Heather (Munch-kin)

SENIOR ADS

King David, your first moment on this earth, I was so very proud that you belonged to me. That feeling has grown through all these years. What ever your goal in life is, I'll be there backing you all the way. I love you with all my heart.

AT THE TOP

Eagles flying higher and higher; often slowing, but never ceasing. At East Henderson, we never stop reaching for the goals we have set. Attaining the possible, striving for the impossible, we never give up hope. Whether we aim for the top or just take life one day at a time, we are always able to overcome our problems. Although each class has its own identity, we come together as one when times are tough. Through wins and losses, good times and bad, the Eagles continue to soar above the rest and will always be AT THE TOP!

Members of the elite; these are the HORSEMEN!

Teamwork is the key to getting things done.

Are you boys trying to check out of school again?

As co-editors of the 1988 Highlander, we would like to offer our final thoughts on the 1987-88 school year. Throughout the year, we have laughed and cried together, shared many special moments, and learned a lot about life. Though each of us will go our seperate way, we will always be able to look back on all the good times we have had.

To our staff, we would like to say thank you for a job well done. Without your time, effort, and hard work, the yearbook would not have been possible. Although deadlines came much faster than we ever expected, we met them all, one way or another. To the two-year members, thanks for sticking by us when times were tough. We could not have done it without any of you.

And to the Class of '88, congratulations and good luck in the future. With all the memories of our years at East, we will never have to wonder "Where Have All The Good Times Gone?"
